RECOMMENDATIONS/COUNCIL ACTION/MOTION REQUESTED *(Include motion in proper format.)*

Adopt Resolution No. 2025-099 Approving Furniture Order for Facility Improvement Project

EXPLANATION OF AGENDA ITEM *(Include a description of background, benefits, and recommendations.)*

Background

At the February 3, 2025, City Council Meeting, the Council authorized staff to obtain pricing for facility improvements, including paint, carpet, and furniture.

The need for these improvements dates back to 2021, when staff proposed using American Rescue Plan funds for updates to customer counter areas, office workspaces, and cubicle areas. At that time, the Council directed that the project be broken into smaller phases and funded through the City's capital and operating budgets. Since then, the City has completed several small scale upgrades at both Public Services and City Hall, including:

- City Hall Planning Specialist cubicles
- City Hall cubicle block in center of offices (plus one addition)
- Oak & Olive Conference Room improvements
- Public Services Facility office upgrades (new cubicles, office furniture, and a Parks Supervisor office buildout)

2025 Capital Improvement Plan (CIP) Projects

In 2025, the Capital Improvement Plan allocated funding for additional facility improvements:

- City Hall Paint, Carpet, & Furniture (CIP Project #688)
- Public Services Director & Specialist Office Furniture (CIP Project #759) - this project was approved on the January 19, 2025 City Council Meeting and is underway

The paint, carpet, and furniture at City Hall are original to the building, and based on previous discussions, it is most cost-effective to complete all three updates at once.

Urgency & Cost Savings

The original plan was to present furniture, carpet, and paint pricing for Council approval on April 7, 2025. However, we recently learned that Steelcase, the manufacturer of the cubicles and office

furniture used in previous projects and recommended for this project, is implementing a tariff charge effective March 27, 2025, which would add \$6,000–\$7,000 to the project cost.

Since a special meeting was already scheduled for March 24, we recommend placing the furniture order before March 27 to avoid these additional costs.

Furniture Vendor

In 2022 the City selected Atmosphere as our furniture vendor for these improvements, when they provided the lowest-cost solution for City Hall office cubicle and public services office furniture changes. Atmosphere was also the furniture vendor for the Fire Station project and continues to be a reliable partner. Reasons for continuing with Atmosphere include:

- Lowest-cost vendor when initially compared with other suppliers
- Experience working with the City on past projects
- Product quality (Steelcase products purchased through the state contract)
- Continuation of same brand, color, and design from previous orders
- Assistance with staging & installation to minimize downtime during carpet, paint, and furniture upgrades

Project Scope & Funding

Atmosphere's quote includes the following items:

City Hall:

- Front Desk Cubicles – Replacing 25-year-old cubicles, creating a dual front desk area, updating the Assistant Planner's cubicle, and adding one additional cubicle set in the back of City Hall.
- Private Office Furniture – Replacing office furniture in City Hall's private offices.
- Chatterbox Conference Room – Originally budgeted in 2023, but postponed due to unforeseen furniture needs. Now included in this project.
- Maple Conference Room (2025 Operating Budget) – Replacing tables and chairs to improve mobility and functionality for meetings and trainings. Also includes secure storage for elections materials during absentee voting.

Public Services Facility:

- Public Services Director & Specialist Office Furniture – New office furniture as part of the Public Services office buildout project.
- Mechanics Office Furniture – Upgrading office furniture to better support operations, as their current furniture is in very rough shape.

Budget Overview

- Total Furniture Order: \$167,767.68
 - City Hall Offices: \$110,511.33
 - City Hall Maple Conference Room: \$24,075.88
 - Public Services Director Office/Front Counter Furniture and Mechanic Office: \$33,180.47
- Previously Ordered Task Chairs (due to several breaking/new hires - part of project for 2025):

\$5,328.08

- Amount from Operating Budget (Maple Conference Room): \$24,075.88
- Furniture Amount from CIP Project: \$149,019.88 (City Hall Offices + Public Services + Task Chairs)
- CIP Budget Allocation for Carpet/Paint/Furniture: \$300,000
- Current Low Quotes (will bring for formal approval on April 7 after receipt of last quote):
 - Carpet: \$34,440 (Carpet in Maple Conference Room, Oak Conference Room, City Hall Area, & Vinyl in Sheriff substation)
 - Paint: \$20,911

The formal approval of paint and carpet quotes will be brought to the April 7 Council Meeting. Even with assuming a potential 15% contingency on the paint and carpet quotes, based on potential wall repairs, removal of blinds, etc., the overall project is expected to come in around \$75,000 under budget.

Atmosphere will assist with developing a staging plan to coordinate installation and minimize disruptions once carpet and paint are approved.

Recommendation

To ensure cost savings and project efficiency, staff recommends:

1. Proceeding with Atmosphere as the vendor for furniture procurement, removal, and installation and;
2. Authorizing the furniture order prior to March 27 to avoid the projected increases and;
3. Reviewing and authorizing final carpet and paint quotes at the April 7 City Council Meeting for formal approval.

RECOMMENDATIONS/COUNCIL ACTION/MOTION REQUESTED (Include motion in proper format.)

Adopt Resolution No. 2025-100 Accepting Bids and Awarding Contract for the 2025 Downtown Reconstruction Phase 3

Adopt Resolution No. 2025-101 Accepting Bids and Awarding Purchase of Downtown Reconstruction Phase 3 Lighting Equipment

EXPLANATION OF AGENDA ITEM (Include a description of background, benefits, and recommendations.)

2025 Downtown Reconstruction Phase 3 Project

On March 20, 2025, bids were opened virtually for the 2025 Downtown Reconstruction Phase 3 project. The project includes the total reconstruction of streets, sidewalks, utilities, and street lighting of First Street between Maple St to Olive St, Olive Street from First St to Second St, Second St from Elm St to 200 feet west of Olive St, the alley located south of First St from Olive St. to Elm St., and the alleys north of Main Street from Elm St to Spruce St.

There were four bids received:

Contractor	Bid
GMH Asphalt	\$3,492,828.19
Valley Paving	\$3,678,999.54
SM Hentges & Sons	\$4,110,000.00
Mueller & Sons	\$4,192,057.79

The low bid was submitted by GMH Asphalt Corporation in the amount of \$3,492,828.19. Staff from our consulting City Engineer Bolton & Mink has reviewed the bids and recommends that the bids be accepted and the contract be awarded to GMH Asphalt Corp.

2025 Downtown Phase 3 Lighting Equipment

The City subsequently opened sealed bids after publicly bidding the acquisition of street lighting components, to include freight, for the 2025 Downtown Phase 3 project. This includes the acquisition of street lighting equipment to include Cyclone lighting product shepherds hook style LED lighting found throughout the downtown. The poles will feature banner brackets, flag holders, and GFCI outlets. Lighting to be installed at intersections will feature the custom Waconia logo inlay.

Requests were sent to four suppliers. Bids were opened on March 20, 2025, with two responding suppliers, all who are certified vendors of the Cyclone lighting manufacturer.

Contractor	Bid
Border States	\$264,915.00
Viking Electric	\$270,794.74
Graybar	No Bid
JH Larson	No Bid

The low bid was submitted by Border States in the amount of \$264,915.00. It is recommended that the bid be approved, and the lighting equipment be ordered. Lead time for manufacturing and shipment is noted as 12 to 14 weeks. Ordering now will ensure that the lighting equipment is in our possession near the end of construction which will allow for installation in a timely manner. The wiring and installation of electrical items is being bid with the main project components.

RE: Downtown Reconstruction Phase 3 Award Recommendation

Dear Mr. Haukaas,

Bids were received and opened electronically through QuestCDN on Thursday, March 20 for the project referenced above. Four (4) bids were received, and the results of the bids are tabulated below:

<u>Bidder</u>	<u>Bid Amount</u>
GMH Asphalt Corporation	\$3,492,828.19
Valley Paving, Inc.	\$3,678,999.54
S.M. Hentges & Sons, Inc.	\$4,110,000.00
Wm. Mueller & Sons, Inc.	\$4,192,057.79

The low bidder for the project is GMH Asphalt Corporation, from Chaska, Minnesota. The low bid is approximately 20% below the Engineer's Estimate and 5% below the next lowest bid. Please note City staff is coordinating some items separately from the construction contract that are not included in this bid price (light poles, signing, job trailer, etc.).

GMH Asphalt Corporation has successfully completed projects of this type in the past and have thereby shown themselves to be a responsible contractor. Based on the items above, it is recommended the City award a construction contract in the amount of **\$3,492,828.19** to GMH Asphalt. I am open to discuss this information with you and answer any questions that you or the City Council may have.

Sincerely,

Bolton & Menk, Inc.
